

**Miami Beach Food Service Establishment
Grease Trap Compliance Assistance**
EPA Consent Decree FOG CMOM

The City of Miami Beach in partnership with the Miami-Dade Division of Environmental Resources Management (DERM) would like you to attend our informational workshop to discuss current and pending improvements to the County's Fats, Oil and Grease Control Program as required by the U.S. Environmental Protection Agency (EPA) Regulations. [Case 1:12-cv-24400-FAM.](#)

- Discover why Grease Trap Compliance Assistance is important and how it will help you identify the corrective action(s) to take so you can pass your next GDO inspection.
- Learn how to comply with your current Grease Discharge Operators (GDO) Permit.
- Learn how to avoid costly mistakes when managing and operating your Grease Trap.
- Learn what we all need to do to significantly reduce the discharge of Fats, Oils and Grease into our sewers and why we have to do it.

Thank you for agreeing to participate!
